- We would like to invite you to the Online IVS Alliance Day on Thursday the **12th of November 2020**.

Once a year, there is an IVS Alliance Day and this year ROC Friese Poort will organize it. Because of the current situation, the IVS Alliance Day will be held on the platform Teams.

During this day we want to share best practices, challenge you with stimulating guest speakers and several workshops.

Save the date and we hope to meet you via Microsoft Teams
